A Letter From Your Board of Trustees

On **November 8th**, the residents of Plain Township will make a decision on the future of Plain Township's police services. The Board of Trustees strives to provide Plain Township with professional police services at the lowest possible cost.

The proposed 4.25 mill police levy will cost the owner of a \$100,000 home about \$134 per year, or roughly \$11.00 per month. **This is just .35 cents a day.** *This is the only police levy Plain Township has to maintain its police protection.* There are no other township police levies.

Thirty five cents (.35) a day is enough money to put **eight (8) additional deputies into Plain Township so we can have the appropriate level of deputies for the size and needs of our community.**

Thirty five cents a day will allow the Plain Township Division of the Stark County Sheriff's Office to implement a **Problem Oriented Policing (POP) program which** provides one-on-one interaction between township residents and our police. Neighborhood meetings would be held for the police to get first-hand feedback on the issues, problems, suggestions, or complaints residents may have.

Thirty five cents a day will also replace four (4) worn out cruisers with nearly 160,000 miles on them, and allow the Board of Trustees to start a replacement program for all the other police vehicles. *This will allow our officers the ability operate safe and efficient equipment when responding to emergencies.*

Thirty five cents a day allows our deputies to proactively patrol our streets, neighborhoods, and businesses in order to keep them safe.

Plain Township is a great place to live, work, worship, and play because of its top rated schools and services. It will cost only thirty five cents a day to make our community safer.

A brief look at what our deputies do:

Detective Bureau: provides full investigations in many cases including burglaries, felony thefts, death investigations including drug overdose cases, and ongoing criminal investigations and activities with additional resources through the Stark County Metro unit at no additional costs to residents.

Traffic Enforcement: Our Plain Township Deputies handle traffic crashes, enforce all traffic laws, and help keep drunk drivers off our streets to keep our township roadways safe for all users.

Patrol: A constant presence of cruisers in our neighborhoods is one of the best ways to deter crime before it happens. Our deputies do not have physical offices and work directly out of their cruisers even writing their reports from their cruisers. With the passage of the proposed levy, adding additional deputies will allow Plain Township to proactively patrol in residential neighborhoods, and increase their presence in our parks and at our local businesses.

School Resource Officer: Officer Chad Smith is our full time School Resource Officer, whose salary is split with the Plain Local school district. He is in our schools and interacts with hundreds of students a day. Time spent with the students is valuable even beyond the time he spends at school, as he also provides a rapport that fosters a sharing of information which helps the kids after school. *He is the first line of defense in protecting our children in our schools.*

Board of Trustees

(330) 492-4689

Saturday, October 1st at Veterans Park, join us for Yappy Hour from 11:00am—2:00pm

We will have a dog costume party and contests including the awards for most bootiful, original, most humorous and best person/dog combo costume!

Pet rescues will be onsite and we will have organic doggy treats for sale...yum yum in your dogs tum tum! We will even have Doggy owner pictures by The Laugh Boxx Photo Booth and Veterinarians will be Hosting Minute Clinics! **Come and HOWL at the MOON with US!**

E-Waste Recycling

Due to ongoing technological advancements, many electronic products become obsolete within a very short period of time, creating a large surplus of unwanted electronic products or "E-waste."

Disposing of E-waste in landfills has the potential to cause severe human and environmental health impacts. Plain Township will be accepting E-waste on **Saturday, October**

29th from 10:00am-2:00pm at the Plain Township Hall, located at 2600 Easton St NE.

Canton, Ohio. This event is being hosted by Plain Township and Ecycle Solutions of Ohio is providing the recycling solutions!

Below is a partial list of some items that will be accepted:

- * Cell phones/mobile devices/ telephones
- * Florescent light bulbs (4 ft=\$1.00, 8 ft=\$2.00)
- * Computers/laptops/I-pads/misc. parts
- * Disk drives, hard drives, floppy drives & CDs
- * Power equipment & power tools
- * Monitors & television flat screens (All types)
- * Monitors w/glass tube (\$10.00 each)
- * Movies, DVDs and DVD players
- * Household batteries (Alkaline=50 cents/1 gallon zip lock bag)
- * Televisions above 20" (\$20.00 each)
- * Televisions 20" and smaller (\$10.00 each)
- * Household electronics & appliances

Trick-or-Treat 2016

Get your super heroes , ninja warriors, pirates, princesses and mermaids ready!

Trick or Treat in Plain Township will be **Sunday, October 30th from 3:00pm to 5:00pm!**

Plain Township Finances are Now Online!

Plain Township has partnered with the Ohio Treasurer's office by joining the statewide transparency initiative and posting the township's checkbook level spending online at:

PlainTownshipStark.OhioCheckbook.com

Plain Township is part of the early wave of Ohio local governments and schools participating in this transparency partnership to open the checkbook for residents to follow their money. Hundreds of Ohio counties, cities, schools, public universities, townships and special districts across Ohio have joined the movement towards greater transparency. Checkbook level data is searchable by category, vendor, keywords and more.

All state spending information is posted online for the first time in Ohio history! Over \$534 billion of state spending information is available for taxpayers to search, sort and download.

You can now view how your money is spent by visiting OhioCheckbook.com.

Board of Trustees

(330) 492-4689

Salute to Veterans United We Stand

Plain Township is the fifth largest township in the State of Ohio. It is the second largest community in Stark County, only the City of Canton is larger. In Plain Township alone, there are over 4,200 veterans. That's 4,200 brave men and women who accepted the responsibility to defend America's freedoms and values. In Stark County, there are about 30,000 men and women who selflessly sacrificed for our nation to remain the land of the free and the home of the brave. The 30,000 does not account for the men and women who made the ultimate sacrifice and did not return home to their family and loved ones.

In 2015, the Plain Township Board of Trustees recognized that these men and women deserved a sacred place in Plain Township to reflect, pray, share memories and experiences and to be surrounded by the souls of those who have made the ultimate sacrifice. In that vein, the Board of Trustees rededicated Schneider Park, located at 1714 Schneider St., Canton, Ohio. They also committed to building a veterans' memorial monument. Ken Noon from Summit Memorial, the architect of the Clinton Memorial, stepped up to the plate and was awarded the bid to design the memorial. *"The wrapped flag wrapped around the center pillar represents the fallen heroes wrapped in the American Flag. The side pieces, the wings, swoop toward the flag so visitors' eyes follow the contours to the flag. The silhouette of the saluting soldiers not currently with us to represent those that are MIA/POW. The Father and son on the opposite side represents a familial representation of protecting our youth. Finally, the flame at the top of the pillar represents the eternal flame, and is wrapped in gold leaf to emulate its constant glow,"* said Noon. No tax dollars were used for the memorial itself. Instead, funds were set aside from estate tax dollars and the **Plain Township Rotary** donated \$10,000.00 from their auction event. **Howard Wenger from Wenger Excavating** donated all the excavating on the site, **Dickerson Concrete** donated concrete and labor, **the Plain Township**

Highway department worked numerous hours preparing the site and **Rich LaRocco** donated engineering services. *Thanks to all of these efforts, the Plain Township Board of Trustees is humbled and*

honored to present the Veterans Memorial **Keystone Monument Dedication to take place on November 11th at 10:50am at Veterans Memorial Park.**

Please join us on November 11th, 2016 for our Second Annual Salute to Veterans at the Veterans Memorial Park and the Plain Township Central Fire Station. The Day begins with refreshments at 8:00am by MaryAnn Donuts, coffee by Starbucks and a meal provided by Mission BBQ. Other major sponsors of the Salute to Veterans Event are the Davey Tree Company, Rentwear and The Mucci Team- Keller Williams Realty Group. At 9:00am our Blue Star Memorial Monument will be dedicated and at 10:00am Two Star Major General Dan Hahn will speak. Stark County Recorder Rick Campbell will provide Veterans ID cards for Veterans all morning and you won't want to miss the Veterans Monument Dedication at 10:50am. TAPS will play at 11:11am and you can come back at 5:30pm for a flag retirement ceremony.

The monument will be an impressive feature sitting atop the north façade of the Veterans Park Hill. From base to tip, it will stand nearly nineteen feet tall and carry a wingspan of twenty-four feet. It will be placed at an eastern and slightly north angle to catch both the morning and afternoon sunlight, so it casts a long shadow for effect and can still be seen coming from both the east and west on Schneider Street. Accompanying the monument will be 4 granite benches and two other ancillary monument pieces that will be designed and placed at a later date. All further development of the park will be done through fundraising and private donation efforts.

"Our debt to the heroic men and valiant women in the service of our country can never be repaid, they have earned our undying gratitude. America will never forget their sacrifices." ~ President Harry S Truman

Board of Trustees

(330) 492-4689

SAM Center

This Thanksgiving, let's be thankful for our veterans and service members that have served our nation. The SAM Center (Serving Area Military) was founded in March 2015 to assist local heroes and their families. They are a community of veterans and military supporters helping each other. The SAM Center formed out of the belief that *"we can make the lives of service members, veterans and their widows better."* The SAM Center collaborates with other community agencies to ensure programs are not being duplicated, while the gap in assistance is being filled. The SAM Center operates a free commissary, ensuring basic needs are being met. They even provide gas cards to veterans in need so that the drive to the SAM Center is not an additional cost to them.

<http://www.servingareamilitary.com/donate.html>

The SAM Center is a 501(c)3 organization and all donations are tax deductible.

Heritage Herb Society to Dedicate Blue Star Memorial Marker at Salute to Veterans

On Friday November 11th, the Plain Township Board of Trustees will host its second annual Salute to Veterans event at Veterans Community Park and the Plain Township Central Fire Station. As part of that day, phase one of the Veterans Memorial Park will be dedicated with the Blue Star Memorial Marker.

The Blue Star Memorial Program honors all men and women who served in the U.S. armed services. The program began in New Jersey in 1944, with the planting of 8,000 dogwood trees as a living memorial to veterans of World War II. The blue star became an icon in World War II and was seen on flags and banners in the homes of families whose loved ones had gone off to war. By-way and highway markers are also part of the program. In 1945, the National Council of State Garden Clubs adopted the program. The Blue Star Memorial Marker Program is a dedication plaque adopted in 1945 by the National Garden Clubs to honor the Armed Forces after WWII. Today, it is a monument to commend all of our Armed Services for their sacrifice and dedication to our country. *The Heritage Herb Society worked collaboratively with the Board of Trustees and the Garden Club who secured the Blue Star Memorial Marker on the township's behalf.*

We want to thank the Road Department for its time and labor, Rice's Nursery for the design and Unilock Ohio out of Rittman for supplying the materials for the planter at the Blue Star Memorial Marker.

The Blue Star Memorial Marker dedication program will begin at 9:00am, as part of the Salute to Veterans Program.

Parks Department

OPEN ADULT MENS Sunday Evenings	OCTOBER: 30th - NOVEMBER: 6th, 13th, 20th & 27th DECEMBER: 4th, 11th & 18th - JANUARY: 8th & 15th

Recreational Soccer League

Register your child for Session 1 of the COED recreational soccer league. It is a 9-week session of instructional/recreational soccer played Saturdays at Diamond Park's Indoor Sports Complex. You can request a teammate and/or coach to play with. Registration fees are \$55.00 per child when you volunteer to coach, \$82.50 for the first child, \$71.50 for a second child, and \$66.00 for the third child and beyond. All registrations are cash or check (*made out to Plain Township Trustees*) and mailed or dropped off to Township Hall located at 2600 Easton Street NE, Canton, 44721

by Friday, November 4th at 4:30pm.

Session 1 Dates: November 12th, 19th / December 3, 10th, 17th / January 7th, 14th , 21st & 28th.

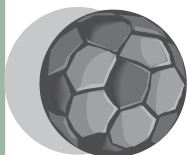

Messy Hands

Get creative with us at Diamond Park's Community Room for arts ad crafts for ages 3-5 years with their parent/guardian on Mondays. Sessions are five classes and cost \$37.00 per child, which includes all of the materials.

Session 2 registration is open and will take place October 24th & 31st / November 7th, 14th & 21st.

Congratulations Community Soccer Club!

Plain Township and its Parks Department would like to send our most heartfelt congratulations to Community Soccer Club on its 60th consecutive season playing soccer in the Township! The CSC has taught thousands of kids the values of friendship, exercise and the game of soccer. An organization of volunteers designed to affect kids has done so in an unparalleled and exemplary manner. Plain Township is honored to have Community Soccer Club as a partner and we look forward to the next 60 seasons!

Fire Department

(330) 492-4089

Congratulations & Farewell

The Plain Township Board of Trustees and the Plain Township Fire Department would like to congratulate Chief Don Snyder on his retirement. He has provided the citizens of Plain Township with over 43 years of outstanding service and dedication to our community. Chief Snyder started as a volunteer in 1976, and was hired as a paramedic in 1979. He was one of the first employees of the Plain Township Fire Department. Prior to becoming the Fire Chief, he served as the Deputy Fire Chief. He has set an example to be followed in the future and to be cherished by those of us that have worked with him. There is no doubt that his leadership, commitment and passion in the performance of his duties has saved lives, homes and treasured belongings. As he retires, we pray that he experiences all the joy and contentment that retirement will bring him. May God bless him with good health and fill his life and his wife Debbie's with happiness.

Technical Rescue Operations & Techniques

Our TROT (*technical rescue operations and techniques*) team meets to train once per month on high risk rescue calls. We take great pride in working with our neighbors and resources that are available. On May 9th our TROT team trained on a cellular tower rescue with field experts from Axiom Wireless. A big thank you to their Safety Director, Carl Beadnell. On July 11th, our team hosted a joint training on confined space rescue at Wayne County Regional Fire School in Applecreek. Crews from Plain Twp, Jackson Twp, Marathon Fire, Nimishillen Twp and Canton Fire, worked together to learn from each other and put their skills to the test.

Muscular Dystrophy Fundraiser

On July 30th & 31st, Plain Township Firefighters manned the intersection of Everhard & Whipple to 'Fill the Boot' for MDA. For over 20 years the Plain Township Fire Department has participated in this fundraiser for muscular dystrophy. This year the Firefighters raised over \$9,000!

Thank you to the all the residents and the community for donating to such a great cause - 100% of the proceeds go to MDA!

Firetruck Day

On August 4th, Plain Township Firefighters, Jim Russell and Adam Gladysz attended Firetruck Day at Akron Children's Burn Camp located at Portage Lakes. They along with many other local fire departments used their fire engines to hose down the camper's and staff for a fun filled day in water and foam!

Fire Department

(330) 492-4089

Introducing Chief Shalenberger

The Plain Township Board of Trustees has appointed Charles Shalenberger as the next Fire Chief of the Plain Township Fire Department. Chief Shalenberger's entire career has been with Plain Township as he started with the Fire Department in 1984 as a volunteer firefighter/EMT and was hired full time as a firefighter/paramedic in 1992, promoted to Shift Captain in 2001 and promoted to Deputy Chief in 2012. He has lived in Plain Township since early childhood and is a 1984 graduate of GlenOak High School. He is married to his wife Stephanie and has two children. His daughter Stacie is a 2015 graduate of GlenOak High School and a sophomore at Ohio Northern. His son Steven is a junior at GlenOak. Chief Shalenberger is a State Fire and CE instructor and teaches CPR. He serves on several committees in Plain Township and Stark County. In Chief Shalenberger's own words *"I embrace the opportunity to lead the Plain Township Fire Department and continue the progress of our past leaders of the Fire Department. I am proud to work with the finest and most dedicated group of firefighter/paramedics who provide our residents with protection of life and property."*

Our New Staff

The Plain Township Fire Department added six new Firefighter/Paramedics to its staff. This will increase the Fire Department staffing to fourteen personnel every day to better serve Township residents.

Pictured from left to right are Kyle Albert, Aaron Kauth, Patrick Martinez, Joseph Theil, Cameron Martin and Daniel Ventura.

Safe Kids Stark County

On Friday, June 10th, Deputy Chief Chuck Shalenberger and Fire Inspector Scott Kelly participated in the first annual Safe Kids Stark County 9 & Dine fundraiser held at Arrowhead Golf Course in North Canton. Approximately 30 people participated and raised about \$1,000 for Safe Kids Stark County.

Plain Township Fire & Rescue is a member of Safe Kids Stark County and was a founding member of the coalition that started back in 1992. Safe Kids Stark County is led by the Stark County Health Department and has a coordinator who is employed by the health department, an executive board and members. Safe Kids Stark County's main objective is to reduce unintentional injury to children aged 14 and under in the county. Safe Kids does this through certain programs throughout the county such as car seat inspections, coaches clinics, Safe Kids Day, playground safety programs and many more. The money raised will go to help fund these programs.

Zoning Department

(330) 492-4686

Zoning Permits Required

Before you begin **any** construction project, your first step should be to contact the Zoning Department to discuss the minimum setbacks and maximum size requirements that apply to your property. In addition to a permit application, a site plan drawn to scale of your property is required to illustrate the new construction's size and location on the property.

Permits must be issued before work begins. If you are hiring a contractor, the Zoning Department recommends that you discuss who will be responsible for obtaining permits with your contractor. Remember that ultimately, the property owner is responsible for compliance of his or her property with all Township Zoning Requirements. Please note that any above ground swimming pool containing three (3) feet of water or more requires a permit. As well as any storage shed that you place on your property, regardless of its size.

Sign Permits

Please note that signs are not permitted in the road right-of-way. No sign may be attached to trees, telephone poles, street light or street sign poles. (Section 801.3). These signs will be removed immediately with no contact to the sign owner. Any sign for garage/yard sales, etc must be located on private property with permission from the property owner.

All other temporary signs require a sign permit, so before you put out that next banner or portable sign, make sure you have obtained your sign permit from the zoning Department.

Please apply and obtain your Temporary Sign Permit **before** placing it outside of your business.

All permanent signs require permits.

Please check with the Zoning Department for size regulations.

Board Positions Available

The Plain Township Trustees are accepting letters of intent from persons interested in filling expiring terms for the Board of Zoning Appeals and Zoning Commission. One position to each Board will be appointed for a five (5) year term beginning January 2017. Interested persons must be legal residents of Plain Township and must be able to devote up to two (2) evenings per month to hear variance, conditional use, and/or rezoning requests. Zoning knowledge is preferred but not required. Letters of intent should be accompanied by a resume and may be mailed to the Zoning Department, Attn: Zoning Director, 2600 Easton Street NE. Canton, Ohio 44721 or dropped off in person between the hours of 8:00am and 4:00pm, Monday thru Friday.

Letters of intent will be accepted until Tuesday, November 1st, 2016.

Right-of-Way Obstructions

Please remember that trash cans, and portable or permanent basketball hoops cannot be placed in the road right-of-way. According to ORC Section 3767.15, no obstruction can be placed in the right-of-way.

Fall Yard Debris

With the Fall Season upon us, the Zoning Department has begun receiving phone calls regarding leaves. **Please be advised that there are No zoning regulations regarding leaves and/or leaf clean up.** The Township provides 2 yard waste recycling drop-off sites (see Yard Waste Recycling on back page for dates/times). If you know of an elderly person or a neighbor needing assistance, lend a helping hand or call a local church for volunteers.

Sight Obstructions

Please trim back your trees, bushes, hedges, etc. that can cause a sight problem for drivers. The courts have determined that there may be a joint liability between the owner and the governmental agency for hazards in the right-of-way.

Road Department

(330) 492-3423

Paving 2016

Our 2016 Plain Township Paving and Road Repair Project has now been completed with approximately 17.5 miles of roadway repaved! We would like to thank our residents for their patience with any inconvenience that may have occurred during this time.

Prevent Drainage Problems

Please remember not to rake leaves, grass clippings or other debris into storm sewers, ditches and streets. Keeping storm sewers and ditches clean, will help reduce drainage problems. Your cooperation with such is truly appreciated.

Also, note that it is illegal to dump oil, antifreeze, herbicides, pesticides or other hazardous products into ditches, culverts or catch basins. All violators will be prosecuted.

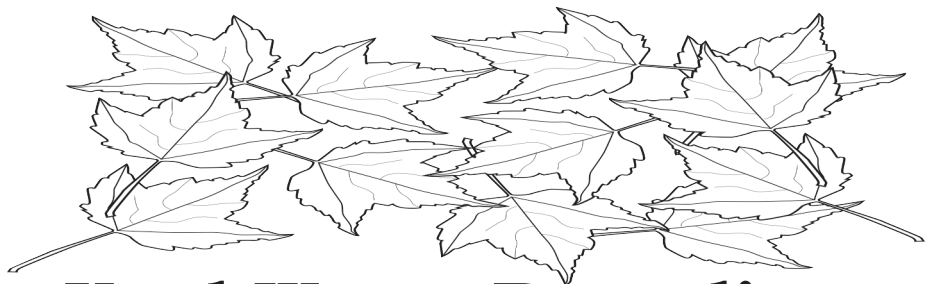

If you see dumping taking place, please report it to the Stark County Health Department at 330-493-9904.
